ENGLISH LAD IN FINE FETTLE

Cook's Derby Candidate Impresses Horsemen at Louisville by His Work.

BROWN'S CONJURER FEARED.

Billy Phillips Says He Will Win the Kentucky Classic If He Can Beat the Grand-Looking Colt From Memphis.

Louisville, Ky., April 9.-The training of the 600 or more thoroughbreds at Churchill Downs is now on in earnest and great progress is being made. The weather during the week has been ideal, barring one stormy day in the middle of the week, but the temperature has been mild and the trainers have been able to let their

English Lad, the great son of Requital and the early favorite for the Kentucky. American and other derbies, has done the sensational work of the week, being set down for the full route of the Kentucky Derby, displaying splendid speed, The mile was covered in 1:15, and, while the last eighth was only galloped, the time for the full distance was 1:59. This sort of going a full month before the running of the Kentucky classic means a fast pace in that event, although Fred Cok's colt may not go to the post a favorite, after all. Conjurer being recognized as a factor

to be reckoned with.

E glish Lad was set down early in the morning, with a good-sized stable boy up. He was galloped around the course a couple of times, and then, at a signal from Trainer Billy Phillips, was given an easier rein. With an easy, gliding stride, held under a safe wrap, he went over the course in the following time: Quarter, 25; three-eighths, 37½, half, 51½; five-eighths, 130½; five-eighths, 130½; fille, 135; mile, and an eighth, 158. There was a look of reserve in the manner in which the son of Requital swung his head, and gave every indication that he was not showing his highest powers.

indication that he was not showing his highest powers.

The arrival of the stable of Captain S. S. Brown from Memphis brings two other Lerby eligibles in Proceeds and Conjurer. With the impost that the winning of the Tennessee Derby brings to Proceeds, interest centers in Conjurer. Billy Phillips, trainer of English Lady, realizes what Conjurer is, "The grandest-looking 2-year-old I ever saw," he says, He believes this is the only cold he will have to beat to win the Kentucky Derby.

After the meeting at Churchill Downs. Bob Tucker will take Captain Brown's Eastern Givision to the metropolitan tracks, while Trainer Patterson will return from Sheepshead Bay and direct the Western division on the tracks about Chicago.

GOOD WORKOUTS. A hundred or more promising 2-year-olds have been worked during the week, but A hundred or more promising 2-year-olds have been worked during the week, but as a rule they were not permitted to cover the haif in better than '54, as it is a bit too early to let them out.

Gorman & Bauer sent Jack Rathin and Bardolph three-quarters in 1:18 1-5, the fastest time of the spring training. The fractional time was: Quarter. '25'2; three-eighths, 28'4; half, '48'4. They finished noses apart, Bardolph in the lead and Rathin tiring a little at the end. Mabel Winn, from the same stable, was sent three-quarters in time a little slower. A 3-year-old maiden was sent three-quarters in time a little slower, A 3-year-old maiden was sent the same distance in '14'1. Their Sir Dixon-Sally McClellan filly was sent down for a half, but ran out at the head of the stretch after doing the quarter in about '25. The firm shipped fifteen horses to Aqueduct during the week and promises to be heard from there.

Hiram Steele, a former Madden trainer, but now having a public stable, sent a couple of 2-year-olds a half in '35. A 5-year-old brother to Banish, belonging to Peter Speth, was gent a fast three-quarters along with one of Billy Bosier's 5-year-old maidens. The half was done in '994 and the three-quarters in 1:169.

Jim Williams breezed his star (Proof-reader) a mile in 1:48'2, the colt finishing strong and full of run. Local horsemen consider him one of the best at the track.

THE PICKET SHIPPED EAST.

THE PICKET SHIPPED EAST. The stable of Middleton & Jungbluth, consisting of The Picket, winner of the American Derby; Santon, the Sheridan Stakes winner, and eight other high-class animals, was shipped to Sheepshead Bay, in charge of Trainer Carroll B. Reid. The stable contemplates racing exclusively in the East this year, the horses being extensively entered in good events. The Picket and Santon are in the Brooklyn, Suburban and Brighton handicaps. The horses wintered well at the Waldeck farm at Beard's. The stable consists of:

THIS WEEK'S SCHEDULE.

Is Transferred to Fair Grounds and Delmar.

the Move by the Western Jockey Club-Delmar Opens May 2.

Chicago, April 9. - Another blow has been aimed at the new Union Jockey Club track in St. Louis. This is nothing more than a transfer of the racing dates allotted to Grounds Association course.

Secretary Woodruff of the Western Jockey Club to-day gave notice that at the last meeting of the Boards of Stewards of the club a motion was passed permitting the Kinloch Association to run off the first fourteen days of the spring meeting at the Fair Grounds track and the remaining seventeen at the Delmar course.

Woodruff has been notified that the Kin loch Breeders' Association will avail itself of the permission granted in this move and will transfer all the dates. The reason assigned for this is that Kinloch Park is from any dread that there might be decity of St. Louis and that the Wabash road cannot promise much to the way of transportation facilities because of the heavy traffic that is likely to come during the feature races that might be decided upon.

Secretary Hachmeister of the Fair Grounds confirmed the statement, when seked about the matter yesterday, and said that the meeting would be run off over the Fair Grounds course with the officials originally announced for the Kinloch meeting.

"Judge Murchy was to have served at each track, and he will now continue in the stand," he said. "President Chew of Kinloch will be general manager of the meetings at the tracks to which the dates have been transferred. Mr. Maxim will be clerk of the scales at the Fair Grounds and Deimar until the time allotted for those meetings expires. Then I will serve in that capacity.

"As Mr. Chew will be in charge of the meeting, the matter simply amounts to

"As Mr. Chew will be in charge of the meeting, the matter simply amounts to the leasing of the Fair Grounds to the Kinloch management for the dates in question. Racing will be held at the Fair Grounds until May 2."

Manager Carmody of the Union track, when notified of the move, stated that he had expected the dates would be transferred, but that his club would proceed with its arrangements regardless.

The St. Louis Americans and St. Louis Nationals will renew their struggle for los REPUBLIC SPECIALS cal supremacy at League Park this afternoon.

This game should prove the most interesting of the series. The Cardinals will have to win to-day or they will have lost two successive championships to the Nichols will prevent this if it is in his

power to do so. If the Cardinals lose they will not be able to put forth the claim that they were out of condition, for they cturned from the South a tribe of perfectly trained athletes. Furthermore, they have had the break

in luck so far as injuries to players are concerned. Of course, Shannon was out of one game on account of a bad ankle, and Brain has been out of the fray since absence practically unnoticed, as Danny a wonderfully ciever boy, who can make anybody hustle to beat his work at any stage of the game

The absence of Wallace and Hill has undoubtedly hurt the Browns. Besides, they have been unable to use Glade in this series.

On the other hand, all the Cardinal boxmen have been in good shape and pitched clever games each time out.

Taylor and Grady are slated for battery honors for the Cardinals this afternoon, but Nichols may change his mind at the last moment.

Wright, Sievers or Morgan and Kahoc or Sugden will be in points for the Browns.

The cold weather of yesterday did not prevent many fans from flocking out to the grounds, but the respective managements of the Cardinals and Browns called the bout off on account of the inclement weather. If the conditions will permit, to-day's game will be played, commencing at 2 o'clock.

If McAleer can play him, Wallace will be in to-day's game, but the peeriess shortstop is still limping around on a cane, and it is doubtful if he will be able to get in the fray. in the fray.

Vesterday's postponed game will be played at Sportsman's Park either tomorrow or Tuesday. The club owners will decide this point immediately after to-

day's game.

Manager McAleer again picks the
